Dear Madam:

The Medallic Art Company has in previous years offered to present to our Museum, specimens of the medale issued during the past year, provided we can secure the consent of the artists who designed them. Among them is one of yours which we should very much like to have - the Tioga Point Museum medall.

I trust that we may count on your co-operation in making a representative display of the work which is being done by our American sculptors.

Very truly yours,

Secretary
